Poslovne svrhe - primer: ProQuest

The screenshot shows the ProQuest Advanced Search interface within a Microsoft Internet Explorer window. The title bar reads "ProQuest: Advanced Search - Microsoft Internet Explorer". The menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar contains Back, Forward, Stop, Home, Search, Favorites, History, and other navigation icons. The address bar shows the URL: <http://proquest.umi.com/pqdweb?RQT=306&AdvSearch=1&INT=08&SelLanguage=0&TS=1032953646>. The main interface features the ProQuest logo and a navigation bar with links for Collections, Search Methods, Topic Finder, Browse Lists, Results & Marked List, and Search Guide. A "Text Version" link and a language dropdown set to English are also present. A help link is located in the top right corner. Below the navigation bar, a message says "Searching collections: ABI/INFORM Global". A large search input field contains the text "DUNS(69-055-3649)". To the right of the input field is a yellow "Search" button. Further down, there are dropdown menus for Date range (set to "Current (1999 - Present)"), Publication type (set to "All"), and Search in (set to "Citations and abstracts"). There are also three checkboxes: "Show results with full text availability only", "Show articles from peer reviewed publications only", and "Show total number of articles". At the bottom of the interface are standard browser buttons for Done, Stop, Refresh, and Internet.
